DECLARATORY RELIEF 13 v. DEMAND FOR JURY TRIAL 14 CYGNUS MEDICAL, LLC, a Connecticut limited liability company, 15 Defendant. 16 17 Plaintiff Medtrica Solutions Ltd. This action arises under the Declaratory Judgment Act, 28, U.S.C. § 2201, et 22 seq. Plaintiff seeks a declaration that U.S. Patent No. 7,648,023 (the "'023 Patent") is invalid 23 and not infringed by Plaintiff. 24 2. Defendant Cygnus has accused Plaintiff Medtrica of infringing the '023 Patent 25 by selling its Appli-Kit branded bedside pre-clean kit in the United States. All of the claims 26 Defendant accuses Plaintiff of infringing, namely, claims 1-4, 10, and 11, require that there be COMPLAINT FOR DECLARATORY LANDSMAN & FLEMING LLP RELIEF - 1 1000 Second Avenue, Suite 3000 Seattle, Washington 98104 Telephone: (206) 624-7900 Facsimile: (206) 624-7903

"at least one weakened line in the front and back sidewall panels" of a pouch. Among other things, however, the pouch component of Plaintiff's Appli-Kit branded bedside pre-clean kit does not include, either literally or equivalently, "at least one weakened line in the front and back sidewall panels." Therefore, Plaintiff's sale in the United States of its Appli-Kit branded bedside pre-clean kit does not infringe U.S. Patent No. 7,648,023.

- 8. Plaintiff contends that the '023 Patent is not infringed by its sales of its Appli-Kit branded bedside pre-clean kit.
- 9. Plaintiff also contends, on information and belief, that the '023 Patent is invalid under either Section 102 or Section 103 of the Patent Act, 35 U.S.C. §§ 102, 103.
- 10. ## (Declaratory Relief)

- 11. Plaintiff incorporates and realleges herein by this reference Paragraphs 1 through 8, inclusive, as though set forth in full herein.
- 12. As described above, there exists a present and immediate controversy between Plaintiff and Defendant. Plaintiff contends that its Appli-Kit branded bedside pre-clean kit does not infringe, either directly, indirectly, by contribution, or by inducement, or in any way, any claim of the '023 Patent, either literally or under the doctrine of equivalents. Defendant, on the other hand, contends that Plaintiff's Appli-Kit branded beside pre-clean kit infringes the '023 Patent. Also, Plaintiff contends that the '023 Patent is invalid, whereas Defendant contends that the '023 Patent is valid.
- 13. Thus a judiciable controversy exists between the parties which is subject to this action for declaratory relief.

Re: SS

SSJR File 03921-I0014A

Investigation of patent infringement by Medtrica

Dear Sir or Madam:

Our firm represents Cygnus Medical, LLC (hereinafter "Cygnus") in its Intellectual property matters. Cygnus owns numerous United States patents, including U.S. Patent No. 7,648,023 ("the '023 patent"). A copy of the '023 patent is enclosed.

It has come to our attention that Medtrica Solutions (hereinafter "Medtrica") is making, offering for sale, and/or selling a product in the United States that infringes numerous claims of the '023 patent. Medtrica's infringing product of which we are presently aware is the "Appli-Kit" flexible endoscope bedside pre-clean kit. (See enclosed online brochure advertising product and listing Medtrica contact info; retrieved from http://www.yourceba.net/sponges-enzyme-detergent-cleaning.pdf).

Based on the specimen and information we have obtained, this product appears to infringe at least Claims 1-4, 10, and 11 of the '023 patent. The making, using, selling and/or offering for sale of this or any other endoscope pre-clean kit of a similar design in the United States constitutes infringement of the '023 patent.

In view of the above, Cygnus demands that Medtrica immediately stop making, using, offering for sale and selling in the United States any products, including the Appli-Kit, that infringe the '023 patent. Cygnus also demands that Medtrica provide Cygnus' undersigned attorneys a full accounting of all sales of the Appli-Kit in the United States so that Medtrica's infringement liability can be determined.

Medtrica Solutions March 5, 2012 Page 2

Unless we receive a response to this letter by March 19, 2012, we shall assume Medtrica does not wish to resolve this matter in an amicable business manner and will consider appropriate action to enforce Cygnus' intellectual property rights.

Sincerely,

Wesley W. Whitmyer, Jr. wwhitmyer@ssjr.com
